Subject: Supplemental Resource Conservation and Recovery Act Facility Investigation and  
Remedial Investigation Report for Eight Sites, Appendix F

Dear Mr. Patrick:

Brown and Root Environmental (B&R Environmental) inadvertently sent out an incorrect version of Appendix F (Comprehensive Background Report) in the Supplemental Resource Conservation and Recovery Act (RCRA) Facility Investigation (RFI) and Remedial Investigation (RI) Report for Eight NAS Key West Sites, Rev. 1, which was submitted on 13 June 1997. The correct version of the Comprehensive Background Report, Rev. 1 was submitted to the regulators and RAB members for review on 31 March 1997. The most expedient way to correct this error is to have each recipient replace the outdated version that was incorrectly included as Appendix F to the Supplemental RFI/RI Report for Eight Sites, Rev. 1 with the version that was sent on 31 March 1997. Please remove all pages in Appendix F (marked as Rev. 0, 19 March 1997 and "Working Draft") and replace them with the pages (marked as Rev. 1 and dated 31 March 1997) of the Comprehensive Background Report that was previously submitted under separate cover. B&R Environmental will provide an additional copy of Appendix F (Rev. 1) for those recipients who do not have one or wish to have another copy. Please contact me if you wish to obtain a copy of the Comprehensive Background Report, Rev. 1.

I apologize for sending out the wrong version of Appendix F and any confusion this may have caused. Please call me at (803) 649-7963, x. 345 or Phillip Williams at (305) 293-2061 if you have any questions regarding the Comprehensive Background Report.

Sincerely,

C. M. Bryan  
Task Order Manager
